Parent Questionnaire

Last week we showed you the total and percentage responses to the questions. There were very few comments which related to these questions but where there were comments in the general section at the end which related to them, we have included the responses below. We take all comments on board, whether they are positive or negative, in the interests of further improvements to our school. More next week related to the areas parents think we do best and those we could improve.

DID YOU KNOW?

Manners Matter

In school we talk a lot about using manners and how that impacts on how we are seen as individuals and groups. Each week a KS2 and a Rec / KS1 class win for their behaviour moving around the school – on stairs, moving in and out of assemblies, etc. The winning younger class each week also gets to keep our special school bee – Do Bee. Watch out for Do Bee as he flies around the school!

And Finally

Please ensure that all bikes and scooters left in the shed are **clearly marked** with your child's name. If you do not have a suitable marker, please ask at the school office. As a lot of the scooters in particular are similar, this will help avoid confusion.
