Ethnic Background Record Form

Pupil's Name:..... **D.O.B:**.....

Our ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history.

Ethnic background is not the same as nationality or country of birth.

Any information you provide will be used to compile statistics on the school careers and experiences of pupils from different ethnic backgrounds to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed on to the Local Authority and the Department of Education and skills (DFES) to contribute to local and national statistics. The information will also passed on to the future schools, to save it having to be asked again.
