Camden School Reports

Camden Learning have recently launched their version of a school report on an app. The link below shows the report card that we have created for the school. Camden have asked for feedback and it would be very useful to get views of parents. It is designed for use on a mobile phone.

To access the report card, search "Camden School Report Card", then following the link through Camden Learning to the report for New End.

Welcome Isobel!

This week we have welcomed Isobel McCallum as our new Unlocking Potential (UP) Team Manager. Isobel's working days at New End will be Monday, Tuesday and Thursday.

Isobel will now be managing the range of services offered by UP including check-ins, six times talk times and well-being groups. Isobel will also manage the different therapists who offer one-to-one support for children who may need additional input to help them manage a difficult period in their life. Later, in the Summer Term, we will also be gaining some valuable support from a speech and language therapist from UP working in the school to further support our children.

Isobel has been getting to know the children and staff this week, as well as meeting parents on the gate. I know you will join me in welcoming Isobel to the New End staff team.

Without NESAs continuing to fund this project, New End would not be in the same position to offer such valuable support for our community's mental health and well being, supporting us through periods of challenge and change. Thank you!

Year 6 School Journey – Final Payment

Please note that **all outstanding balances** for the residential trip to France need to be paid into your SCOPAY account by **Friday 28th March 2025**. Well done RF, 1D, 2S, 3J, 3P, 4W, 5P, 6R and 6S – the classes with no unauthorised absence last week!

Well done 4W - everyone in school on time last week!

Attendance across the school last week is 94.90%, with an unauthorised absence level of 0.24%. Remember that good attendance is seen as 96% or better. Attendance to date this academic year is 95.51% with an unauthorised absence level of 0.28%.

As always, if children are ill, they must remain at home. Please ensure that you contact the school office to explain any absence to ensure that it is authorised.

REMEMBER....

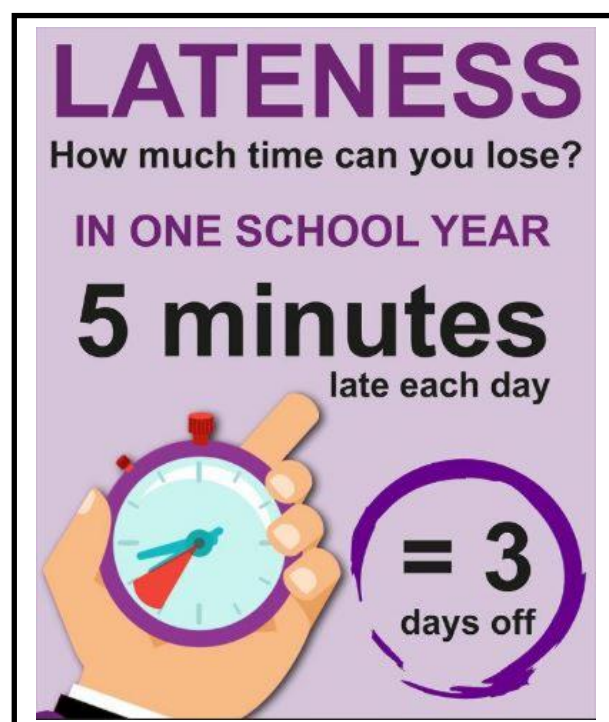

School gates open at 8.50am.

School starts at 8.55am.

There have been **51 lates** last week (21 more than the week before) involving **28 children** (6 more than the week before) throughout the school.

Children who are late will miss important learning time. Children who are late disrupt teachers teaching and other children's learning! AND...Children HATE being late!!!

Please respect others and be in school on time.

NESA News**NESA – the New End School Parent-Teacher Association****Read-a-Thon**

Our annual Read-a-Thon starts on March 1st! Information packets will be coming home on Monday, but in the meantime, visit our 'Rally Up' page for more information and to register your child(ren) for this student-led fundraiser:

<https://go.rallyup.com/readathon2025>

Last year the funds raised supported an author visit to the school during 'book week' and the purchase of new books for each classroom. Our Read-a-thon is a terrific way to encourage a love of reading alongside raising money for the school!

**Your support matters!**

By contributing to NESA you are supporting programmes, activities and resources that inspire creativity, learning and growth for all New End children. To see many great examples due to the support of our current donors, make sure you are following @newendhead on Instagram!
