See the future...it starts here!

New End Stars

Children achieving stars will be presented with them during the special assembly being held tomorrow, Friday, 8th January.

Two assemblies will be held for children receiving stars;

Years Three, Four, Five and Six at 9.15am

Nursery to Year Two at 10am

We hope to see you there.

PS Photographs from the last star assembly in November have now been printed and are being sent out to you. Sorry for the delay! Thankfully the photographic printer is now back up and running!

The New End Cloud System

New End's Behaviour Management Strategy

Parents and carers may have heard their child / children talking about the clouds in their classroom. We have been following this system for a while now but as it is the new year, we have been reminding ourselves about them in assemblies - and so the children wanted us to make sure that you were clear about them too!

Each day is a fresh start - so everyone starts on the **green cloud**. Being on the green cloud shows that the children are working and behaving as we would expect.

If a child needs a reminder to stay focussed on their learning or that their behaviour is starting to disrupt their own or other children's learning - they move to the **orange cloud**. The orange cloud reminds the children that they need to change their behaviour and or attitude. If they do this, the child returns to the green cloud.

If a child cannot improve their behaviour and or attitude whilst on the orange cloud, or if they are involved in any of the following incidents (physical or verbal violence, swearing intentionally to cause offence, bullying or intimidating behaviours, racist or sexist or homophobic remarks) - they move to the **red cloud**. If your child is put on the red cloud, you will be informed by your child's class teacher. In the rare case of repeated presence on the red cloud, this will lead to the parent / carer being contacted by the Head or deputy and informed that their child is being placed on report.

The vast majority of children at New End spend each and every day on the green cloud and should be proud of their continued positive behaviour and attitude and approach to learning. Sometimes children also show extraordinary behaviour and attitude. To mark this, all classes have a **special cloud / star** - some gold, some silver, some glittery! If your child reaches this cloud / star they will receive a certificate that week to mark their achievement.

DID YOU KNOW? Projects

Projects are due on TOMORROW Friday, 8th January. These projects can be of the child's choice but must demonstrate that time and effort has been given to the work. They can include such things as holiday diaries, stories, factual pieces, models, etc.

A child who submits a project will receive a certificate and feedback letter. Children receive one certificate only - even if they hand in multiple mini-projects.

Please note that late projects will be stored and will be returned with the Easter projects.

Individual and Family Photographs

Next Tuesday, 12th January all children will be having their individual photographs taken in school. New End sibling groups will also have their photograph taken. Photos will be taken from 9am, so please do not be late.

School Dinner Money

If you pay school dinner money half termly £66.70 is now due. Please send it to your child's class teacher in an envelope marked with your child's name and class.

And Finally

Welcome back to New End at the start of the Spring Term. We hope you all had a wonderful holiday and are feeling ready for a busy term ahead. Our thanks to all children and parents for their wishes, cards and gifts - they were very much appreciated.

Everyone appears to have returned refreshed after their holidays and it has been great to see the hard work that has been happening across the school.

I'm sure that 2016 will be another great year at New End. Best wishes for a fabulous 2016!
