See the future

...it starts here!

Dear Parents and Carers,

Welcome back to the start of the 2019 - 2020 academic year! It was fantastic seeing you all looking so fresh after the Summer break and the children so excited to return to school ready to start a new year. It has been a pleasure to see so many exciting things going on as I've walked around the school. My thanks to all the staff who worked so hard to ensure that the children came back to such a positive, exciting and stimulating learning environment.

## Welcome to New End

This week we welcome a number of new children and their families. We hope that your child will love their time at New End.

This week we welcome or welcome back a number of new members of staff to New End.

- **Rachel Segal** has returned as joint class teacher of 6SG.
- **Stella Nnochiri** joins as a class teacher of 5N.
- **Catherine March** joins as our French Teacher for children in Years 3 to 6.

These members of staff are a great addition to our talented and dedicated team. I'm sure you will make them feel welcome.

A full newsletter will be sent home on Thursday which will include a complete staff list as well as dates for the year. Please make sure you take the time to read all the important information that will be included.

## Star Assemblies

Due to circumstances beyond our control, the building work started before the summer continues which is currently limiting our activities in the school halls. As a result, we are not able to hold this week's planned Star Assemblies. A new date will be in this week's newsletter. We apologise if this causes anyone any inconvenience.

## School Uniform

Please be reminded that we are **phasing in** school uniform this term.

Apologies for running out of some items since we returned but we were not expecting such a quick take up. A new order to replenish stock has been made.

In the meantime, if you wish to order uniform, please collect an order form from the school office. A full uniform list will be in the newsletter this week with full details about purchasing moving forward.

Please be advised if you are entitled to full benefits, we can support you with your initial purchases. Please speak to myself or the school office.

Over the next few days, children from Nursery to Year 5 will be receiving a free school book bag. These replace the previous plastic book bags which we are not using as part of our green school focus. If your child loses their book bag you will be required to purchase a replacement. Please remember that these bags are designed for getting books to and from school safely. They are not rucksacks and will not withstand heavy objects.

**Now, more than ever, it is important that all children's clothing is clearly labelled so that it can be returned if misplaced.**

## School Lunches

Please remember that all children in Reception, Year One and Year Two continue to be entitled to a free school meal under the government initiative. Costs for Nursery children and those in Years 3 to 6 for the half term will be in Thursday's newsletter. Parents must notify the office **IN WRITING** if you plan to change your child's lunchtime arrangements. Remember that you can only change at the end of the half term.

We look forward to working with you all throughout the year.
