See the future

...it starts here!

Dear Parents and Carers,

Welcome back to the start of the 2020 - 2021 academic year! I was delighted to be back at the school gates this morning! It was fantastic seeing you all looking so fresh and the children so excited to return to school ready to start a new year after what has been a challenging few months. **Please remember to use the correct gates and arrive at the correct time each day.**

It has been a pleasure to see so many exciting things going on as I've walked around the school. My thanks to all the staff who worked so hard to ensure that the children came back to such a positive, exciting and stimulating learning environment.

## Welcome to New End

This week we welcome a number of new children and their families. We hope that your child will love their time at New End.

This week we welcome or welcome back a number of new members of staff to New End.

- **Ashleigh Roberts** joins as class teacher of RR.
- **Tiffany Subang** joins as class teacher of RS.

These members of staff are a great addition to our talented and dedicated team. I'm sure you will make them feel welcome.

A full newsletter will be sent home on Thursday which will include a complete staff list as well as dates for the year. Please make sure you take the time to read all the important information that will be included.

## Independent Travellers

All children who travel independently to and from school are required to complete an independent traveller form. This is for children in Years 4, 5 and 6 only. Once completed, please return to school ASAP.

### Access to Technology Survey

The school and Camden are looking at access to technology in case of further lockdowns. Please complete the survey and return it to school ASAP.

### School Uniform

Please be reminded that children should be in school uniform.

If you wish to order uniform, please download the form from the website or collect an order form from the school office. Once completed the office will be in touch regarding payment. Orders will be sent home every FRIDAY with your child.

Please be advised if you are entitled to full benefits, we can support you with your purchases. Please speak to myself or the school office.

Over the next few days, new children will be receiving a free school book bag. If your child has lost their book bag you will be required to purchase a replacement. Please remember that these bags are designed for getting books to and from school safely. They are not rucksacks and will not withstand heavy objects.

**Now, more than ever, it is important that all children's clothing is clearly labelled so that it can be returned if misplaced.**

**Please remember that, at the moment, children should only bring in a water bottle, packed lunch / snack, hand sanitizer and book bag.**

### School Lunches

Please remember that all children in Reception, Year One and Year Two continue to be entitled to a free school meal under the government initiative. Costs for those in Years 3 to 6 for the half term will be in Thursday's newsletter. Parents must notify the office **IN WRITING** if you plan to change your child's lunchtime arrangements. Remember that you can only change at the end of the half term.

We look forward to working with you all throughout the year.
